

NIBBLER

design ANTONIO PICIULO

Scappato dal videogame famoso negli anni '80, il serpentello NIBBLER si trasforma in un versatile divano da attesa o locale pubblico, configurabile in versione lineare o curva, a moduli, in infinite misure e gamme colori.

A runaway from the video-game that was famous in the 1980s, NIBBLER turned into a versatile sofa that is perfect for a waiting area or any public setting. Nibbler modules, available in a great variety of measures and colors, can be configured in a line or in a sinuous curve.

I rivestimenti bielastici aderiscono perfettamente al prodotto. I velluti e le finte pelli vestono il prodotto con morbidezza con piccole pence nella parti più stondate, che diventano caratteristica naturale di questa versione.

The bielastic coatings adhere perfectly to the product. The velvets and the fake leathers dress the product with softness with small pence in the more rounded parts, which become the natural characteristic of this version.
