

DROP

design GAE AVITABILE

Una goccia che si posa. Il volume orizzontale, lo schienale organico che lo attraversa: un gesto elementare e poetico tradotto in sistema di sedute. DROP sceglie la chiarezza formale come manifesto. Le sedute si accostano, si specchiano, gli schienali si toccano e creano una continuità silenziosa. La semplicità più radicale diventa il linguaggio di uno spazio che sa ascoltare..

A drop that settles. The horizontal volume, the organic backrest crossing through it: an elemental and poetic gesture translated into a seating system. DROP chooses formal clarity as its manifesto. Seats come together, mirror each other, backrests meet and touch, generating a continuity of form and matter that transforms the single piece into a landscape. The most radical simplicity, taken all the way.
