design DEBONADEMEO STUDIO

PACHAMAMA. La Dea Madre che accoglie, sostiene, avvolge. Una presenza ancestrale diventa forma, materia, abbraccio. Ogni curva nasce da un gesto antico, ogni volume porta con sé il peso silenzioso di ciò che nutre. Le silhouette curvy delle statuette votive si traducono in scultura abitabile, dove schienale e imbottitura ridisegnano il senso più profondo dell'accoglienza.

PACHAMAMA. The Earth Mother who welcomes, sustains, enfolds. An ancestral presence that becomes form, matter, embrace. Every curve is born from an ancient gesture, every volume carries the silent weight of what nourishes. Silhouettes born from the language of votive statuettes, translated into inhabitable sculpture. A project that reinterprets hospitality as a primary, universal, necessary act.
